

DORMITORIES DIRECTORATE GUEST ACCOMODATION CONTRACT

I,, who will be a resident of KU dorms,

If I do not comply with the rules written below, Dormitories Directorate and the Coordinators of the Program can decide to terminate my accommodation contract without a warning, and in such a case, I will have to clean out my room and check out within the day I get notified,

1. In the dormitory buildings and the surrounding area, I will not use nor have alcoholic beverage or any kind of drugs or stimulants in my possession, and will not be present where these are being used,
- 2 In the dormitory buildings and the surrounding area, I will not gamble nor play games that share the characteristics of gambling,
3. I will not commit theft,
4. I will not use language that is threatening or insulting the dorm management and the staff nor behave in a way that crosses the limits of respect and manner, and I accept that such behavior leads to my eviction from the dorms,
5. I will not use threatening or insulting language towards the individuals on campus, nor behave in such a way, and I will not physically assault anyone,
6. I will not behave in a way that can put campus and the people on campus in danger or do harm, and I will not assist such behavior,
7. I will not throw out any object from the dorm window to any individual or to anywhere outside, and since the surrounding area is forestland I will not throw out any material that can cause fire,
8. I know that my accommodation contract can be terminated if a false or wrong information is detected in the information I provided for the contract,

If I do not comply with the rules written below, I will get one (1) warning from the staff in charge, and the next violation of any rule will lead to Dormitory Management and the Coordinators of the Program terminating my accommodation without a warning, and in that case, I will have to clean out my room and check out within the day I get notified,

9. In accordance with the law no. 4207, I will not use tobacco or products of tobacco in the dorm buildings (both in the guest rooms and in enclosed places), I will not allow others to use tobacco and the products of tobacco in my room, or else I will be agreeing to the sanctions,
10. I will not do commercial sale,
- 11 I will not use any sharp or piercing objects forbidden by the law and any explosives such as fireworks and sparklers since dorms are located in a forest area,
12. a-If requested, I will show my visitor ID to all authorized personnel, will not use or show any ID that does not belong to me,
- b-I will keep the possession of my visitor ID at all times, will not give it to anyone else,
13. I will not disturb the work of dormitory management and the university members, will obey any verbal or written warnings,
14. I will pay attention to all announcements made by the Dormitory Management and adopt those as they are rules,
15. I will not disturb the residents of the dorm and others nor act in a way that is humiliating,
16. I will not use someone else's property without permission and not harm them,
17. I will not use fire extinguishers for the wrong purposes,
18. I will not move any fixed equipment of the dorm rooms and common areas to other rooms, will use them appropriately and not cause any damage to them and am aware that in case of any damage the expenses will be cut from my deposit,
19. During my stay in the dorms, I will keep the common areas such as kitchen, laundry room, the showers and the toilets, and the dorm room assigned to me clean and when I check out I will leave the room clean,
20. I will not use or keep possession of any electrical device that is not allowed at the dorms,
21. I will not cook in the common areas other than the dorm room or kitchen,
22. I will not feed/keep any animals in the common areas or in the dorm room,
23. I will not make noise that could disturb others and listen to music or sing loudly,
24. I will not change my room without the permission of the Dormitory Management or give my room to someone else,
25. I will personally keep my room key card, not give it someone else, not share my room and bring anyone to the room other than the residents of that room,
26. I will not accept visitors in my room, obey the visitors rule, not stay in another rooms without the permission of the Dormitory Management, not keep an extra bed or an inflatable bed,
27. I will not damage the warning and announcement signs at the dorms and obey them,
